If I am admitted to the Exchange Program at Pontificia Universidad Católica de Chile (UC Chile), I understand that it will only be for the period specified above and that course registration will depend on course availability and prerequisites. Furthermore, inperson participation requires a **valid visa (in spanish, "Residencia Temporal (subcategoría estudiante)" received from the "Portal Digital"** of the National Immigration Service ("Servicio Nacional de Migraciones"). Failure to provide the correct visa upon entry to Chile will result in program cancelation
